## **Navigating Depression:**

### ***Evidence-Based Tips to Stay the Course***

Accredited for 1 CEU by CPDPP for Pharmacists and Pharmacy Technicians

*Registration QR Code*

- Utilize SK-based resources and support pathways to offer non-drug treatment for depression
- Evaluate differences in efficacy, safety, and tolerability of medications to individualize treatment for depression
- Understand evidence-informed options for managing treatment-resistant depression
- Discuss when and how patients may discontinue antidepressants
