Question 1:

Please select one Councillor category you believe you best fit within and explain why? Please provide supporting description and examples from your work experience.

Question 2:

The Human Resources and Governance Committee has conducted a gap analysis of Council's current strengths and weaknesses and has indicated the competencies, attributes, skills, and experience (CASE) they are seeking for Council. Everyone is encouraged to apply; however, the Committee is especially interested in candidates with CASE in the particular areas identified by the gap analysis which can be found within the call for nominations letter. Using the information provided in the call for nominations letter, please describe your CASE as they related to the gaps the committee has identified. Please include supporting examples of instances in which you have demonstrated these CASEs.

Question 3:

SCPP and Council value diversity and having balanced viewpoints around the Council table. How has your background and experience prepared you to be effective in an environment that values diversity and is committed to inclusion?

Question 4:

Please describe your understanding of SCPP's mandate and describe the reasons you wish to serve on SCPP Council.
